

Foam Filter Oil Foam Filter Oil Spray

PRODUCT DESCRIPTION

Bel-Ray® Foam Filter Oil and Foam Filter Oil Spray are formulated for all street, off-road and racing foam air filter applications. Innovative Bel-Ray technology has produced a foam filter oil unlike any other. It is easy to apply and improves airflow. Ultra-viscous formula forms an oil barrier to trap micron-sized particles that can cause engine damage. Waterproof formula prevents clogging when wet.

Foam Filter Oil and Foam Filter Oil Spray are for all street, off-road and racing motorcycle foam air filter applications. Foam Filter Oil products are formulated using the most advanced technology to protect engines from contaminants. The products are packaged in two delivery systems allowing users to effortlessly apply the product to the filter.

PRODUCT FEATURES

- Fast drying
- Ultra-viscous
- Waterproof

BENEFITS

- A fast-drying tacky film is produced to ensure optimum performance of foam filter without the runny solvent; reduces maintenance time and makes performing maintenance easier
- The viscous tacky formula traps micron-sized particles that can cause engine damage
- The barrier film will not wash off, clog or gum up when filter gets wet.

APPLICATIONS

- For all foam type air filter elements.
